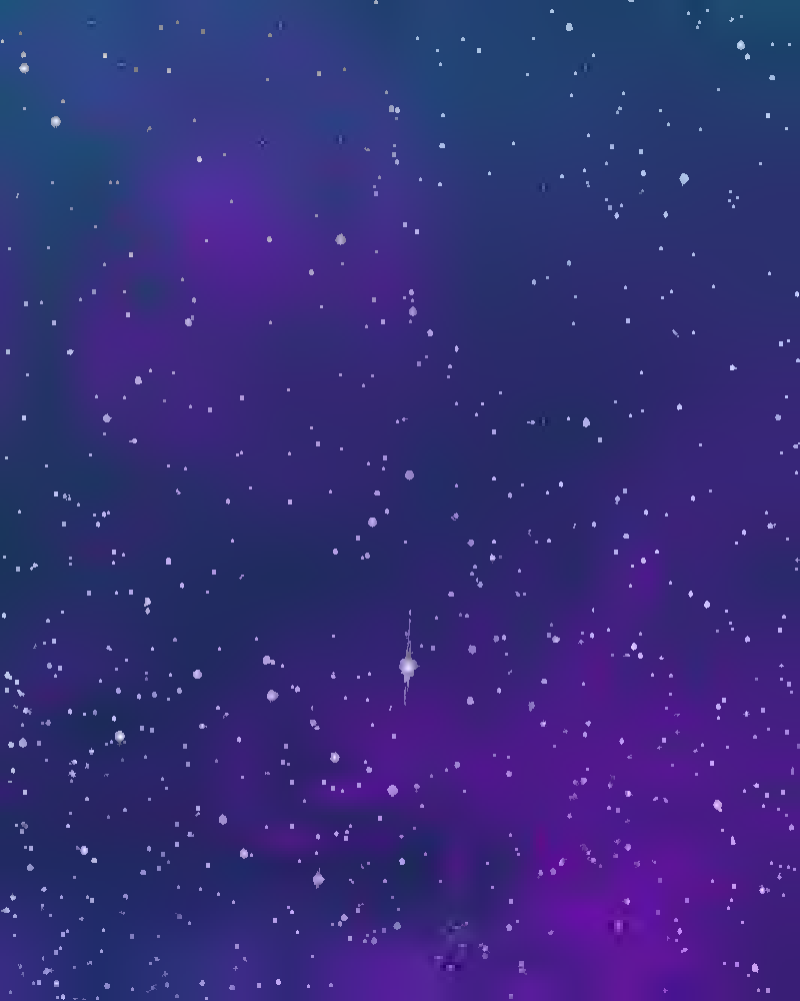
HELIOS:FEMINA

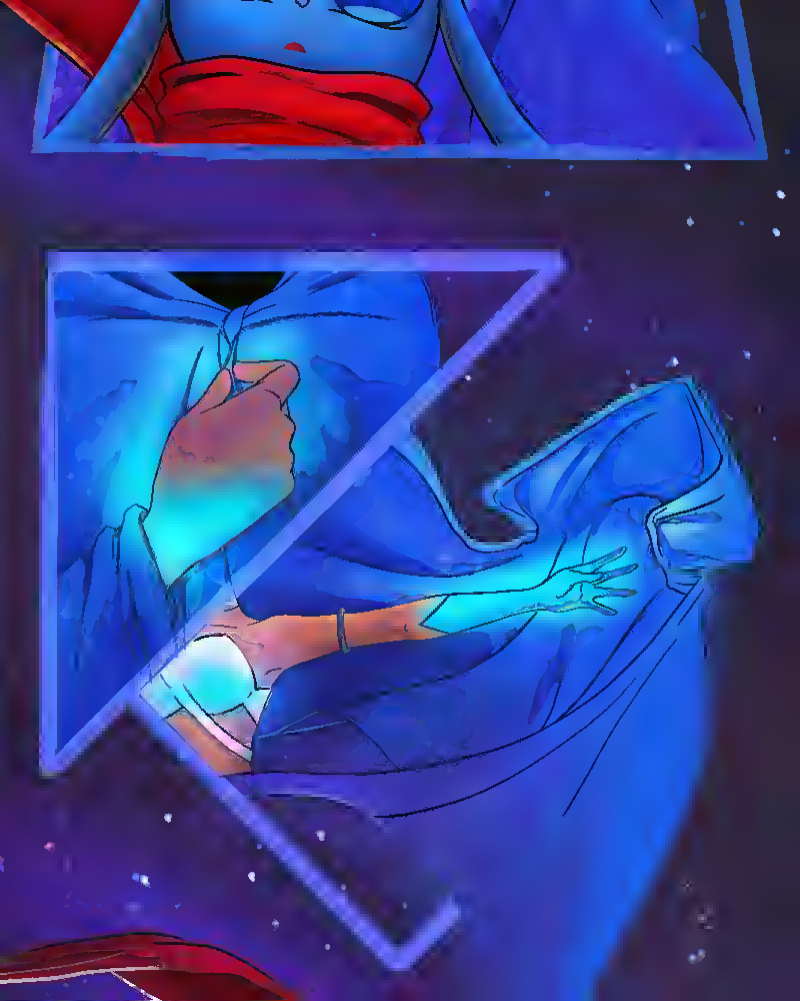
Two Moons



ORA-KWOOD

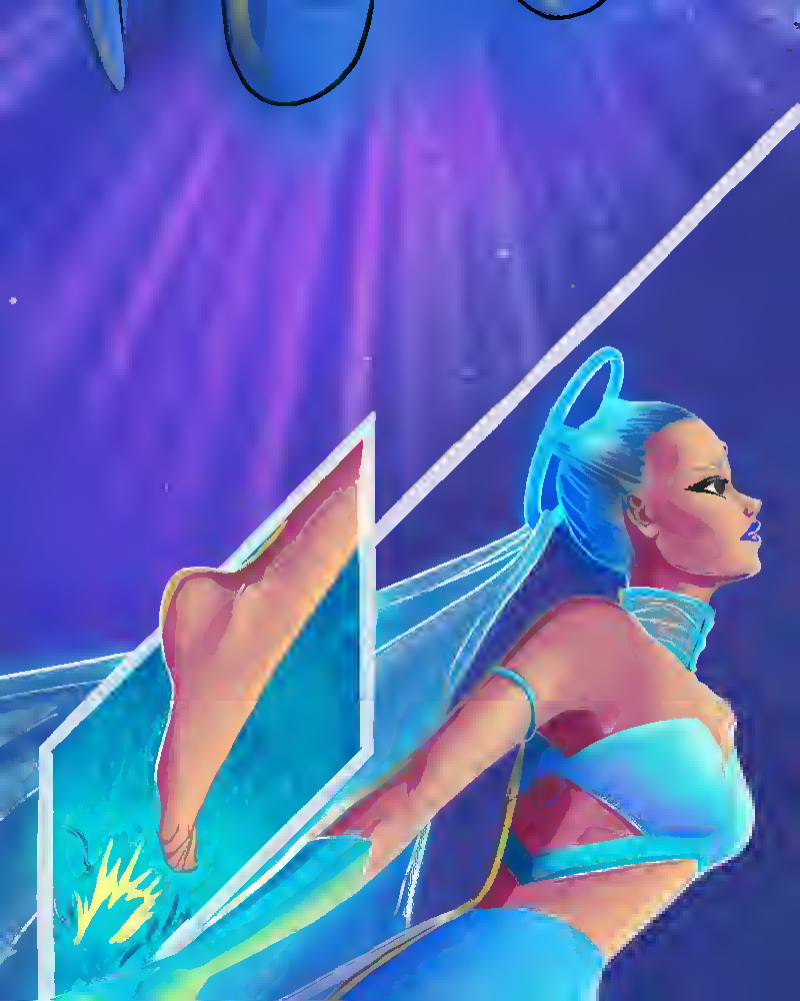
Are we
under attack?!

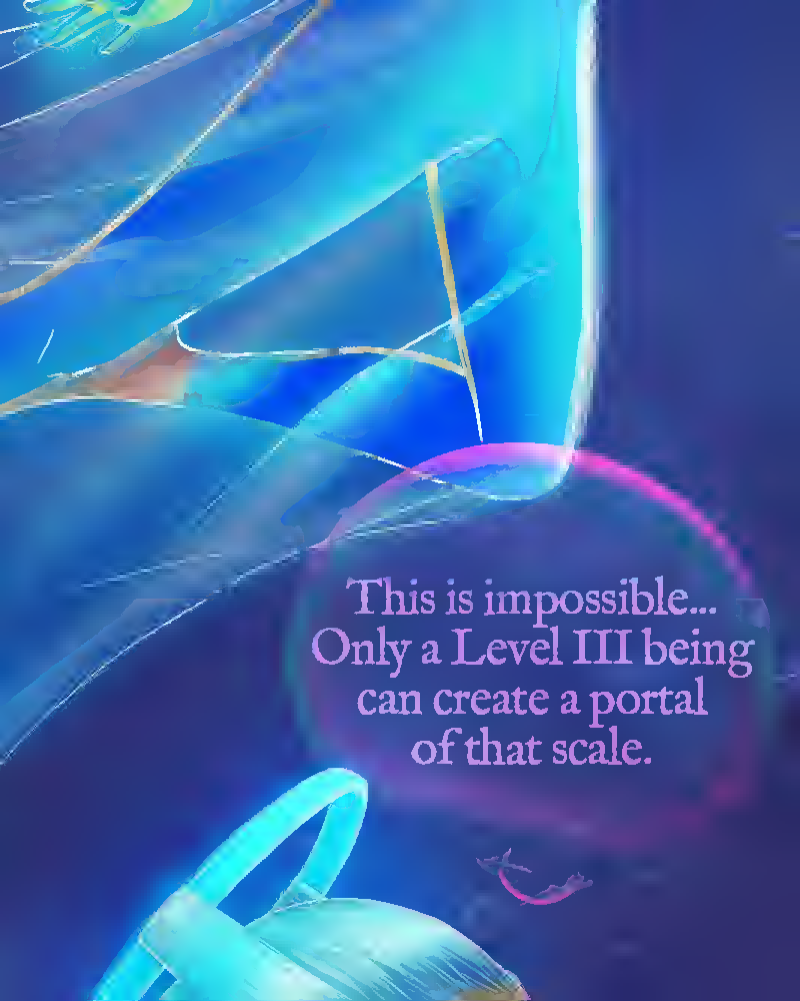
At this rate, everything will be destroyed.
We must act quickly!



SAVE
AS MANY LIVES
AS YOU CAN!

Bebo, GO!





This is impossible...
Only a Level III being
can create a portal
of that scale.

I've only
heard of them
in legends
and folklore.

They can only be after one thing...
I must save this world.

Zeru...
What have they
done to you...
WAAAAHHHH

A child?!
